

Lavender Room Reflections

September has started out new school year with many new friends from ages 3 months to 20 months. It is delightful getting to the know personalities of each child. Watching them interact together is a bonding experience for all of us.

Our youngest babies delight in getting floor time together and our toddlers are learning how to interact with them.

Toddlers are excited to work with each other inside the classroom and in our wonderful yard.

Each day is special and new in the Lavender Room and we look forward to a year of growing together as a family.
