

Wild Roots Holistic Learning Center

Parent Handbook Addendum 1.1

Summer Sunscreen Policy

We ask that parents apply sunscreen on their child before bringing them to school. For children enrolled in the summer session and who stay all day (9:00-6:00), staff will reapply sunscreen before the afternoon outside time. Sunscreen may ONLY be applied after parents have completed the sunscreen form. We will not keep sunscreen in our center for children enrolled in half or school days.

Sunscreen form must indicate the following:

- Sunscreen brand (must not be expired)
- Where to apply sunscreen
- Time to apply sunscreen
- How much to apply
- Signed and dated by parent
